

Our next meeting is:

April 5th — Tuesday
First Christian Church

6:30 PM — Socializing, news and announcements
7:00 PM — Presentations begin

This month:

Following the success of the App Store and the Mac App Store, Apple introduces

THE SCRAPP STORE

Whether you are looking for incinerated PowerBooks, dead iPods still in jeans pockets when they went through the laundry, iPads crushed in the driveway, or beta-level applications that have crashed repeatedly to the point that they will no longer run, the Scrapp Store is the easiest way to find deals that beg to be called "special". Fans of Apple gear now have the perfect source for classy doorstops, paperweights, collector's items, or simply great conversation pieces. All of the items in the Scrapp Store are beyond the point of being refurbished, and each broken, burned, dropped, or otherwise deceased device is a unique treasure that needs a new home. All items purchased from the Scrapp Store, though non-functional, come beautifully repackaged, with a full one year warranty.

On Tuesday we will show how to easily access and shop the Scrapp Store from any Mac or iOS device. We will also discuss the fact that today is April Fools' day...

In reality, our topic this month is

SYNCHRONIZATION

How to keep your appointments, address book, calendar, email and notes identical on all your devices to be presented by **Roger Owens**

If your calendar is up to date on your Mac, how do you transfer those dates to your iPad, without manually adding everything twice? If you need to re-read that urgent email from the President, how do you see it on your iPhone? Or on your other Mac? Or on the Windows PC at work? What if you could arrange things so everything automatically appears exactly where you need it? On Tuesday, Roger will show one of the simplest, most automated ways to keep everything synchronized, using Apple's MobileMe. Easily access all your information, appointments, and emails, virtually anywhere in the world.

Also,

BACK TO MAC BASICS

In this segment, we focus on more fundamental skills, to make life a little easier for those who are trying to learn how to use their Macs. This month:

VIEW OPTIONS

to be presented by **Rob Ellis**

How to use View Options to change the appearance and ordering of Finder windows, so that they look and work exactly as you prefer.

About the weather:

In these winter months, if the weather is particularly bad or road conditions are unsafe on the day of one of our monthly meetings, please try to check your email before you leave for the meeting. If a meeting is ever cancelled or postponed due to weather, we will send an emergency email to let you know.

Our meeting location:

*First Christian Church
6900 Market Avenue North
Canton, OH 44721
(330) 456-2600*

DIRECTIONS TO THE NEWER ROOM

SHORTEST, QUICKEST WAY:

- Upon entering the parking lot, drive around the left side toward the back of the building
- You will see a covered entrance and the name **HERITAGE HALL**. Park your car and come in that entrance
- The **FIRST DOOR** on your left is numbered **1018C**
- Come on in

LONGER WAY:

- Come in through the main door at the front of the building
- Follow the corridor to the left all the way to the back of the building
- The **LAST DOOR** on your right is **1018C**

John would love to join friends for lunch, so John sent an email to Emily who forwarded it to Darlene who added the date to her calendar which she would love to check from work or the coffee shop or the airport, and yet... Please join us on Tuesday and learn a wonderful solution to the problem of synchronization. And please feel free to bring a friend. See you there!
