This month's topic:

MAC² PRINTER CLINIC

How to set up, maintain, troubleshoot and repair your printer
to be presented by **Tom Davis**

Whether your printer is shiny, new and fast on the draw, or wheezing, gasping and chugging along, it pays to know some details of its care and feeding. On Tuesday, Tom will host our first-ever Printer Clinic, with lots of helpful information, such as how to set up your printer (wired or wireless) with your Mac, ink usage and cartridge replacement, optimal settings, common problems, repairs, recycling and more. Learn how to get the best possible prints from your printer. And you are welcome to share your own printer experiences, plus any questions you may have. With a little help and some minor first aid, we may be able to get your printer off the stretcher and back on its feet.

Also,

BACK TO MAC BASICS

In this segment, we focus on more fundamental skills, to make life a little easier for those who are trying to learn how to use their Macs. This month:

ZIP IT!

to be presented by **Rob Ellis**

What is the point of zip files? Rob will explain them, and show how to create, open and use zip files on your Mac.

Also,

FREE RAFFLE!

We will be raffling off **three inkjet printers**, kindly donated by Roger Judy and Tom Davis. These printers are a few years old, but still very usable, and we will try to get them all working at the meeting. The printer models are:

- Epson Stylus 880 printer
- Epson Stylus CX4800 all-in-one printer, scanner and copier
- Hewlett Packard DeskJet 960 printer

Please note that this raffle is **FREE**, but available only to MAC² members. If you are not yet a member but are thinking of joining, and you want to participate in the raffle, you are welcome to purchase a membership before the raffle.

Why does your darling black cat always print as a dull gray, why are those white bands appearing on every print, and how does one set a printer for the correct paper? Please join us at Tuesday's Printer Clinic to learn the answers to these questions and many more. And please feel free to bring a friend. See you there!
