

Our next meeting is:

January 3rd — Tuesday
First Christian Church

6:30 PM — Socializing, news and announcements
7:00 PM — Presentations begin

This month's topic:

LION

A full look at the Mac's newest operating system
to be presented by **Roger Owens**

Apple has let the cat out of the bag, and it's a Lion. If you have been debating whether to upgrade to Lion, or already have but would like a great tour of its features, Tuesday's meeting is the perfect place to be. Curiosity may have killed the cat, but it will not kill this one. Some shameless name-dropping: Lion sports Mission Control, Launchpad, Resume, Autosave, AirDrop, access to iCloud, full-screen apps, and much more. In short, this operating system is the cat's pajamas. If you have been Lion low, Lion in wait, curious about what the new operating system can do, we think you may be pleasantly surprised. And we certainly are not Lion through our teeth.

Also,

FREE RAFFLE!

We will be raffling off two goodies:

- **WORLD BOOK 2011:** The latest edition, this electronic wonder contains the entire text of the 22-volume *World Book Encyclopedia*, plus illustrations, video clips, 3D panoramic views, and sounds. (List price: \$39.95)
- **KID PIX DELUXE 3D:** Colorful and fun, this drawing and painting creativity software puts 3D storytelling into the hands of kids. They can star in their own animated adventures, interact with 3D characters, and create their own digital documentaries. (List price: \$49.95)

Please note that this raffle is **FREE**, but available only to MAC² members (anyone who has been a member in 2011 or has already paid their membership fee for 2012). If you are not yet a member but are thinking of joining, and you want to participate in the raffle, you are welcome to purchase a membership before the raffle.
