

Our next meeting is:

January 3rd, 2017 — Tuesday
at Creative Source (location details below)

6:30 PM — Socializing, news and announcements
7:00 PM — Presentations begin

This month's topic:

A TOUR OF SIERRA

An introduction to many of the new features in Apple's latest version of the Mac operating system, and how they integrate with iOS. (Please also see our related 'Basics' topic, below.)

To be presented by **Tom Davis**

To kick off the new year, if you fancy a trip to an alluring location, may we humbly recommend Sierra. Named after California's Sierra Nevada mountain range, Apple's latest operating system for Macintosh sports many new capabilities. If you have been debating whether to upgrade to Sierra, or already have but would like a better look at what it can do, Tuesday's meeting is the place to be. Tom will explain Siri for the Mac and how to use Siri to search your Mac or the web, play music, check spelling, change your calendar and send messages; Universal Clipboard, which allows you to copy photos, text, videos or files on your Mac, and paste onto your iOS device, or vice versa; using iCloud Drive to access your Mac's files from an iOS device or another Mac; using an Apple Watch to unlock your Mac; and more. Please join us on Tuesday for an excursion through macOS Sierra. We hope you enjoy the ride, and happy trails to you.

Also,

BACK TO BASICS

In this segment, we focus on more fundamental skills, to make life a little easier for those who are trying to learn how to use their Macs and iOS devices. This month:

WHAT'S NEW IN iOS 10.2?

to be presented by **Tom Davis**

There are some wonderful changes in the latest operating system for iPhone, iPad and iPod touch, including some spectacular and fun features in Messages; home automation, courtesy of the new Home app; new capabilities in Maps; powerful new ways to search your photos; and some amazing integration with macOS Sierra. On Tuesday, Tom will show off these and other features that can make your iOS device even more useful to you.

About the weather:

In these winter months, if the weather is particularly bad or road conditions are unsafe on the day of one of our monthly meetings, please try to check your email before you leave for the meeting. If a meeting is ever cancelled or postponed due to weather, we will send an emergency email to let you know.
