

Our next meeting is:

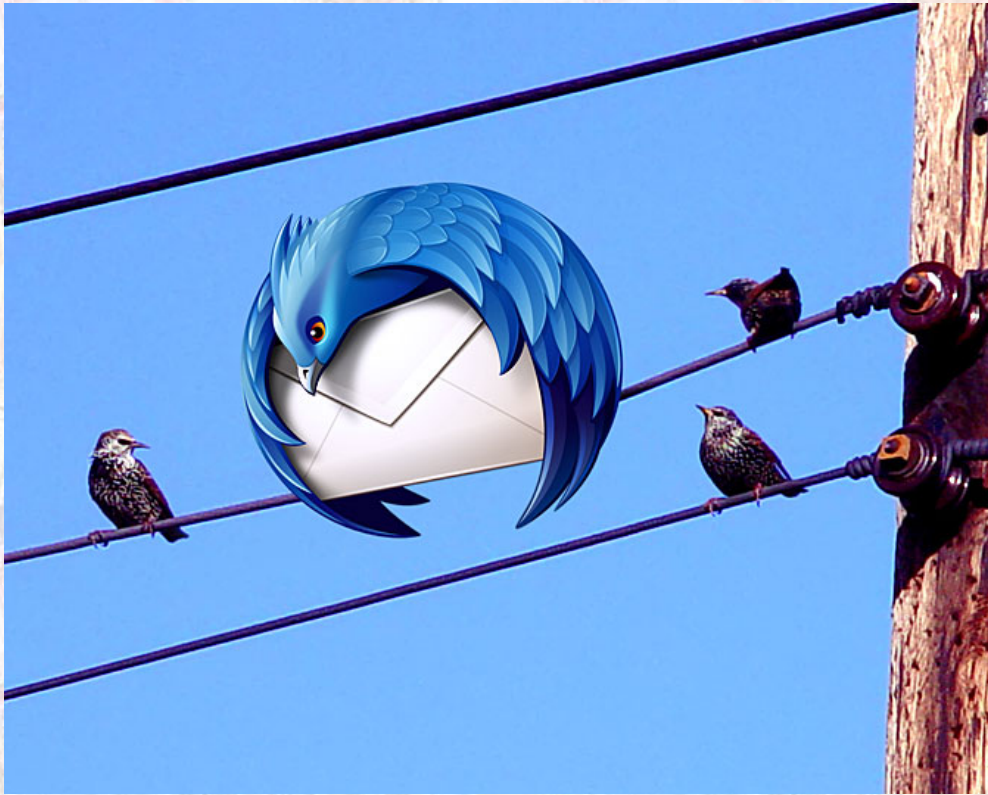

October 5th — Tuesday
First Christian Church

6:30 PM — Socializing, news and announcements
7:00 PM — Presentations begin

This month's topic:

THUNDERBIRD

A free email software alternative for the Mac
to be presented by **Rob Ellis**

It may not tweet, but it certainly flies. Thunderbird is powerful email software, with many features not present in Apple's own Mail. Thunderbird can display email messages in tabs, search and organize in unique ways, and mingle nicely in the nest with other Macintosh apps. On Tuesday, Rob will reveal Thunderbird's many gifts, including the ability to create and send full HTML email, with colors, graphics and more. And incidentally, putting our money where our beak is, this meeting announcement was created in, and sent from, Thunderbird.

Also,

BACK TO MAC BASICS

In this segment, we focus on more fundamental skills, to make life a little easier for those who are trying to learn how to use their Macs. This month:

SNOW LEOPARD TIPS

to be presented by **Kelli Swan**

If you are not already running Snow Leopard on your Mac, chances are you may want to after hearing Kelli's useful, clever tips, all exclusive to Snow Leopard.

Our meeting location:

*First Christian Church
6900 Market Avenue North
Canton, OH 44721
(330) 456-2600*

DIRECTIONS TO THE NEWER ROOM

SHORTEST, QUICKEST WAY:

- Upon entering the parking lot, drive around the left side toward the back of the building
- You will see a covered entrance and the name **HERITAGE HALL**. Park your car and come in that entrance
- The **FIRST DOOR** on your left is numbered **1018C**
- Come on in

LONGER WAY:

- Come in through the main door at the front of the building
- Follow the corridor to the left all the way to the back of the building
- The **LAST DOOR** on your right is **1018C**

Having stated that Thunderbird may not tweet, truth be told, with the right add-on, Thunderbird will even tweet, meaning it can post updates to Twitter. And there is so much more. If you have wished for a better email program, please join us on Tuesday for a look at Thunderbird. And by all means invite a friend. See you there!
